Our dining room extends seamlessly to the outer deck, allowing for al fresco dining on clement days, where you can savor multi-course dinners under the stars in warmer climes. For breakfast and lunch, a lavish buffet of salads, fruits, and desserts awaits, while your main course can be ordered à la carte. **1** The gourmet experience, a hallmark of French seafaring, is nothing short of an art form. Indulge in visually stunning, meticulously crafted dishes and Grand Cru-rated wines. We highly recommend savoring your baguette with a generous spread of Bordier butter (\*).  
**2** Enjoy an intimate dinner in our serene indoor dining room.  
**3** Begin your day lightly with breakfast or lunch amidst ivory chairs and tables, with additional seating beyond the panoramic windows.

## EVERY CORNER OF OUR SHIP IS A SANCTUARY OF PEACE AND RELAXATION.

PONANT's vessels are renowned for their ability to craft distinctive atmospheres, often adorned with unique objets d'art around the reception area. Our crew, including Japanese-speaking and bilingual English-French members, will graciously guide you. Should you desire fresh air, simply pass through the Main Lounge to the Pool Deck. For moments of quiet contemplation, the Panoramic Lounge awaits, where you can enjoy a drink from the bar, peruse a book from our collection, and gaze upon the ever-changing seascape.

## COMPANIONS FOR YOUR JOURNEY.

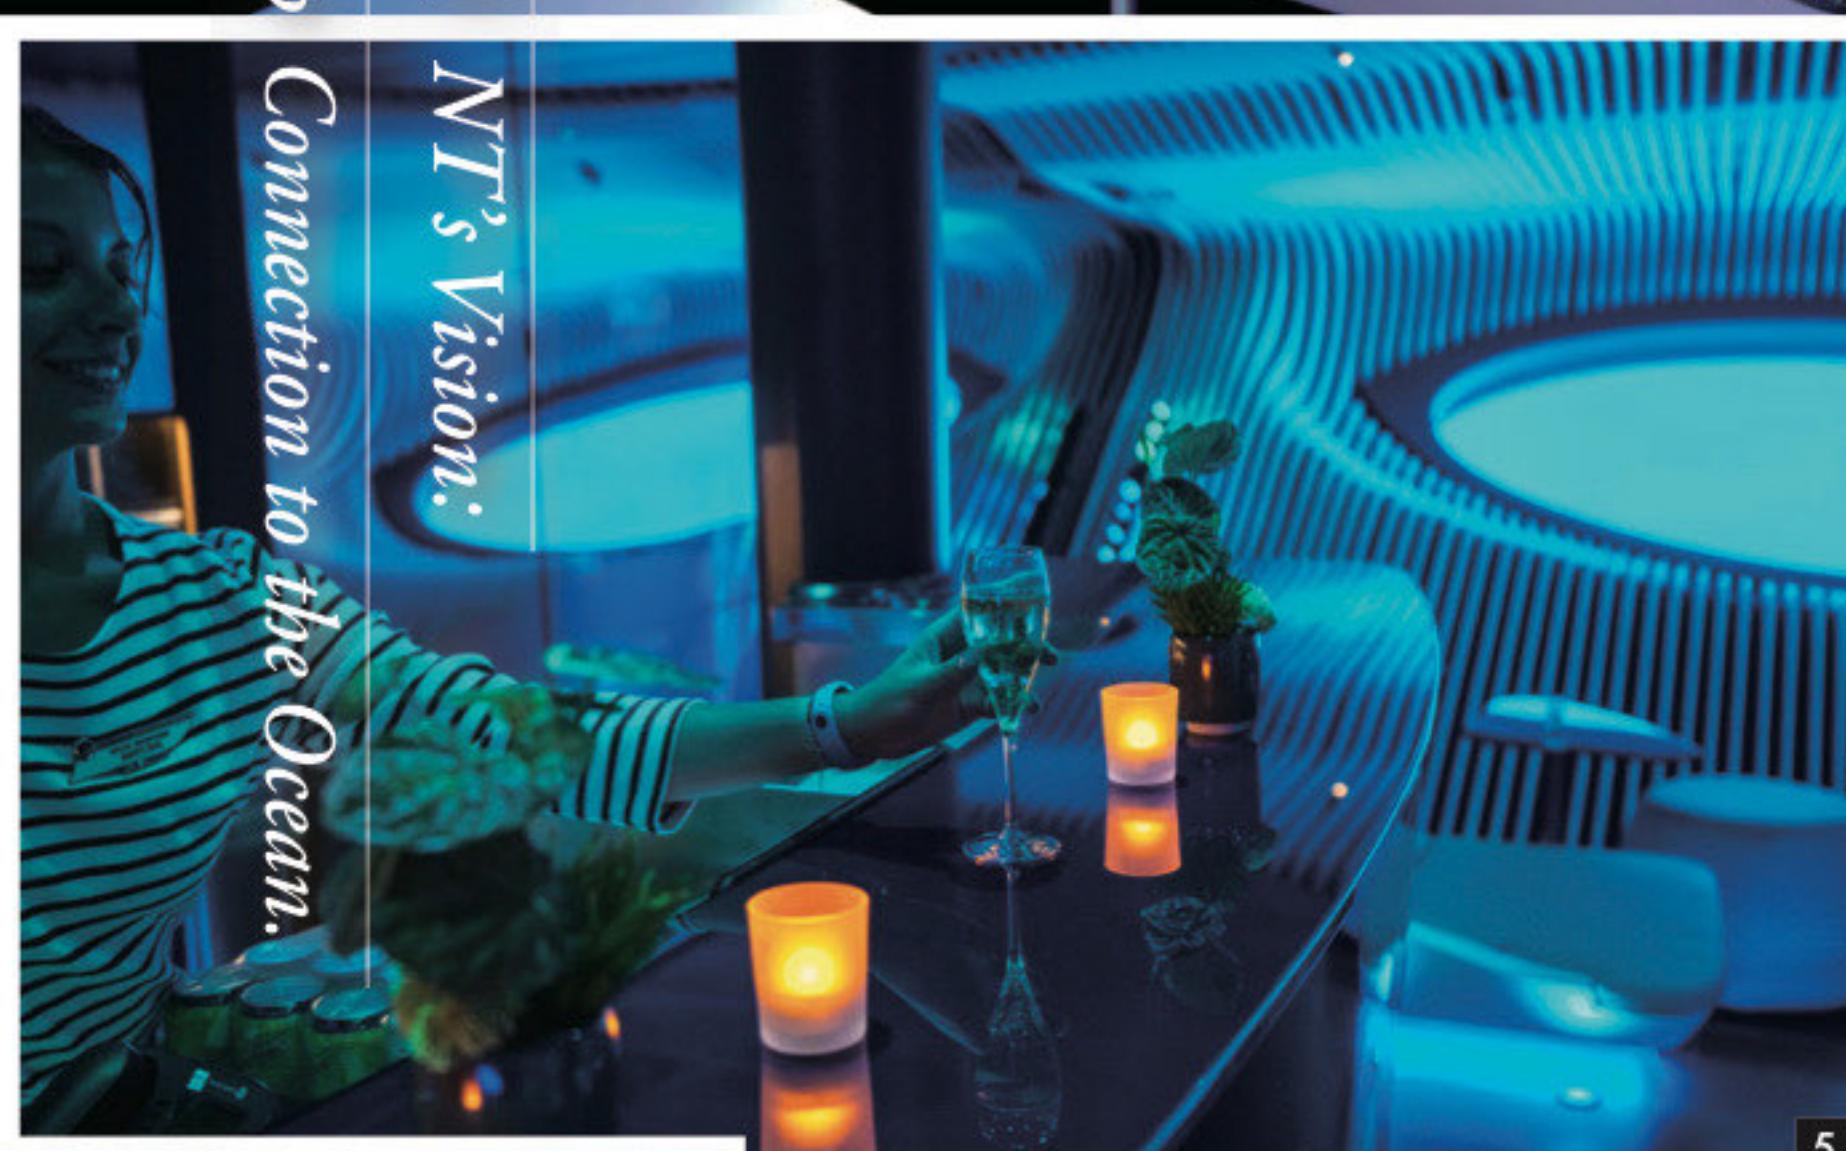

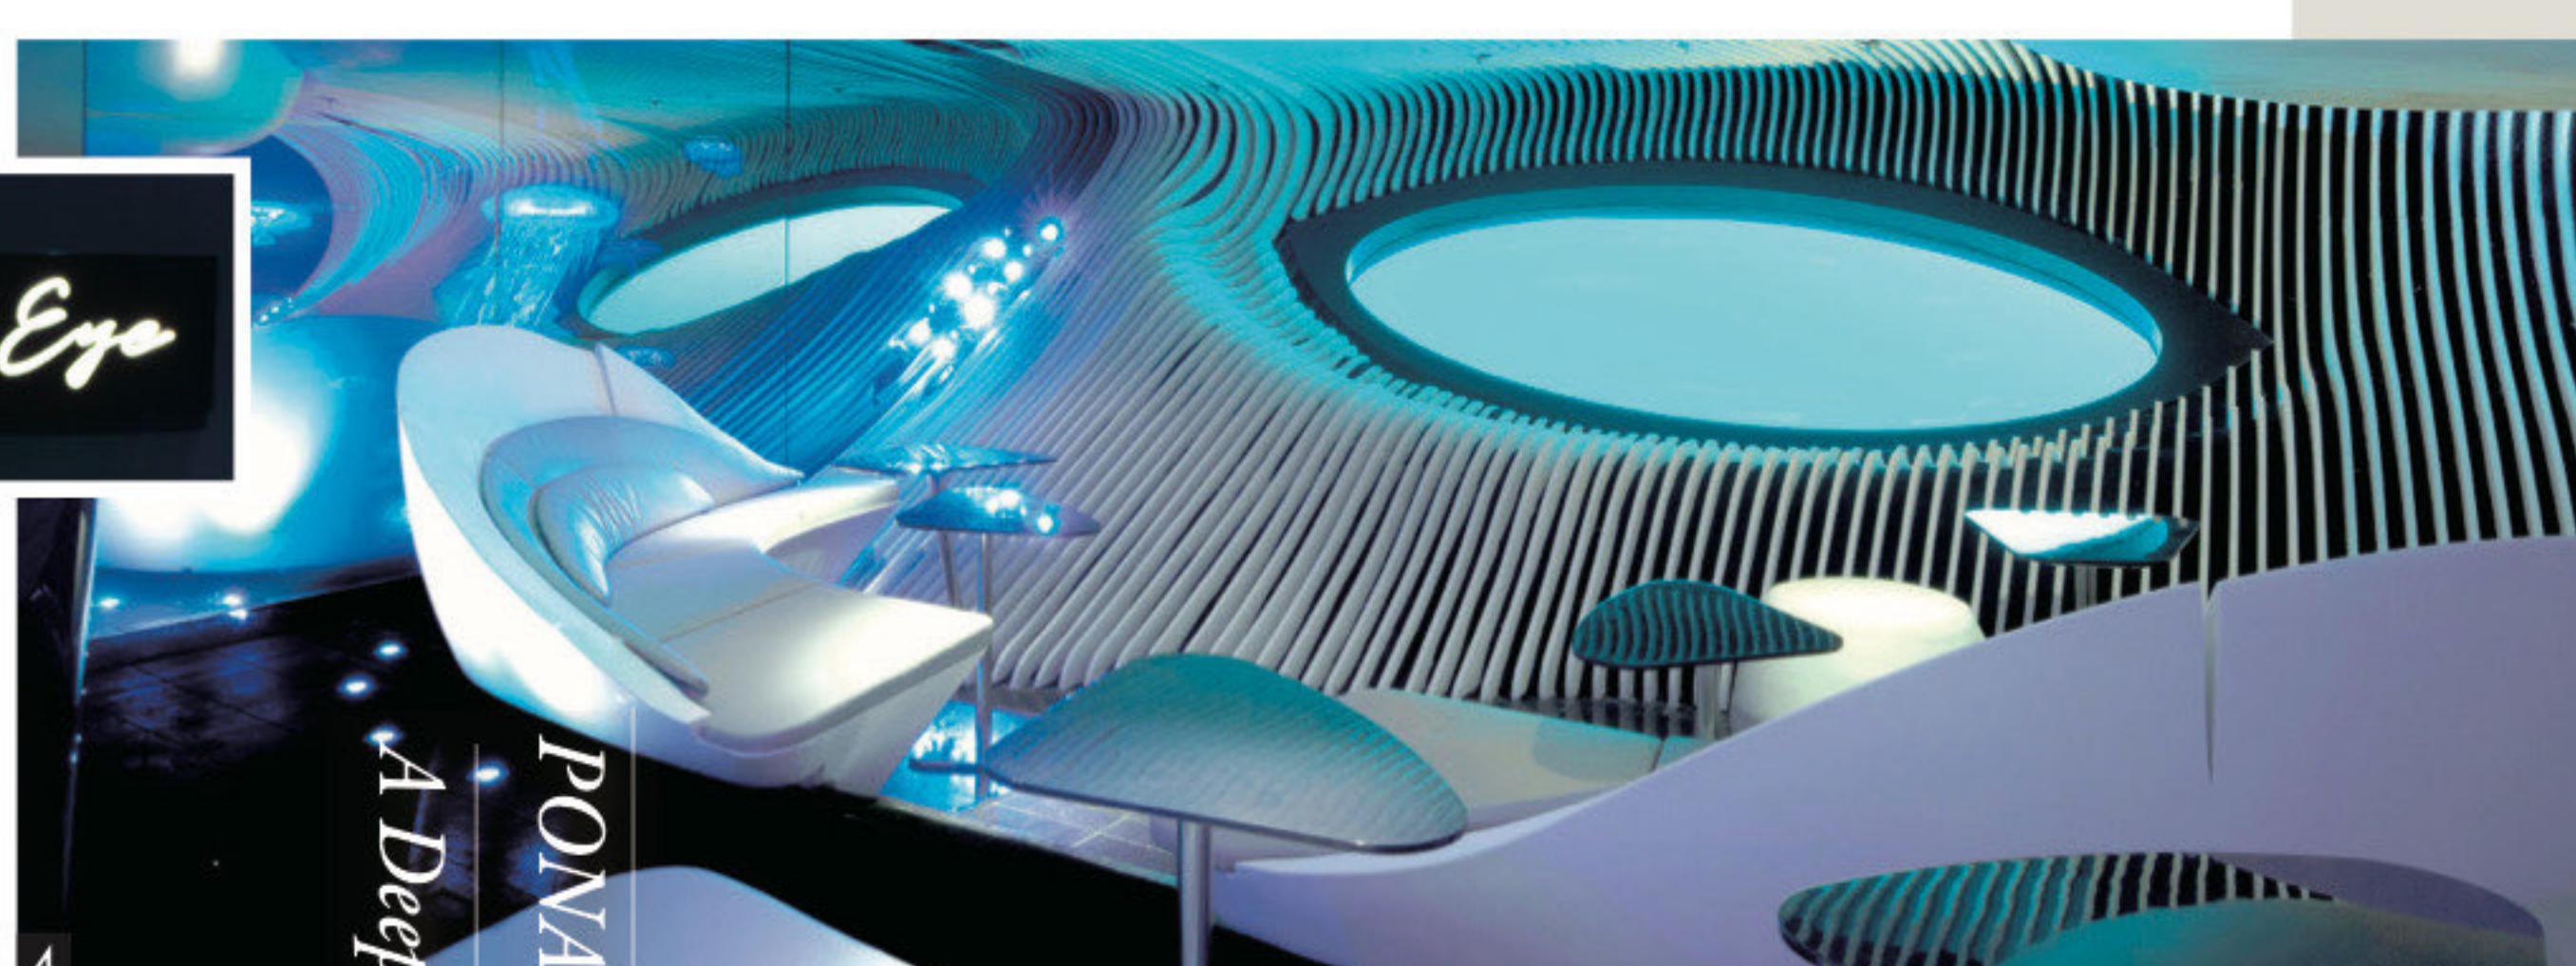

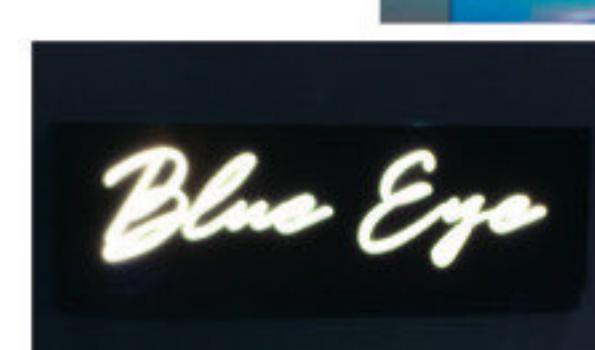

When time allows, one often finds themselves drawn to the Main Lounge, extending from the reception area. Comfortable chairs are thoughtfully arranged, and the bar offers coffee, alcoholic beverages, light snacks, and delectable sweets, all to be enjoyed at your leisure. It's a place where a quiet moment of reading can easily evolve into engaging conversation with a fellow traveler. On our intimate ship, with a capacity of just 184 guests, forming new acquaintances quickly is one of its many charms.

— Sous la mer

## AN EXTRAORDINARY IMMERSION INTO THE UNDERWATER WORLD.

Located on Deck 0, the underwater Blue Eye Lounge offers a private yacht-like cruise experience, bringing you closer to the ocean. Its unique “connection to the underwater world” concept further enhances your affinity with the sea. With expansive transparent windows on both sides of the hull, you can marvel at the submerged scenery. In crystal-clear waters, you might even glimpse swimming fish, vibrant coral reefs, or playful dolphins just beyond your window. The lounge's front wall showcases live footage from underwater cameras and mesmerizing displays of jellyfish. In this cosmic-like space, you'll be soothed by the “Symphony of the Deep Sea,” a blend of underwater sounds captured with cutting-edge technology. In the evenings, the illuminated windows transform the lounge into a popular, moody setting for observing passing marine life. While our ship does not feature grand shows like larger cruise liners, the magnificent spectacle of the natural underwater world offers an unparalleled performance.

4 The underwater lounge with transparent windows is a pioneering feature for a cruise ship. In the evenings, the Main Lounge, with its mirrored ceiling creating a sense of expansive space, invites you to enjoy drinks accompanied by live piano music. 5 Spend your evenings in serene contemplation, gazing at the illuminated underwater world. 6 We also recommend our state-of-the-art theater, equipped with advanced audio and lighting systems for ultra-high-resolution media projection.

**A** Ponant cruises offer an all-inclusive experience. Your fare encompasses gourmet dining, a curated selection of alcoholic and non-alcoholic beverages, in-cabin refreshments, and enriching shore excursions at each port of call.

\*Please note : Exquisite vintage wines and certain premium spirits, indulgent spa treatments, salon services, boutique purchases, laundry services, and other personal expenditures, as well as gratuities, are not included in the cruise fare.

## Q. What language is used onboard ?

**A** English is used as the common language throughout the ship. Additionally, as this is a French-flagged vessel, many crew members and officers speak French. Furthermore, our international crew includes members proficient in German and Japanese, ensuring smooth communication and support throughout your voyage. You can embark on your first cruise with complete peace of mind.

## Q. Are gratuities required ?

**A** Gratuities are indeed customary and handled with utmost discretion. Rather than a per-transaction system, a daily gratuity of 12 Euros per person is automatically applied to your onboard account.

\*Kindly note : Gratuity amounts are subject to change.

## Q. How are payments handled onboard ?

**A** All onboard expenditures are conveniently managed using your "Cruise Card," issued upon embarkation. This card serves as your room key, identification, and a secure payment method. All purchases onboard are processed with this card and a signature, with final settlement handled by the credit card registered during check-in.

## Dress Code

During the day and for shore excursions, elegant casual attire is recommended. In the evenings, we observe two distinct dress codes: "Smart Casual" and "Formal (Gala Evening)." The daily onboard newspaper will inform you of the evening's dress code. Guidelines for each are as follows:

### Smart Casual

Consider this your sophisticated attire for dining in our restaurants.

#### [ Gentlemen ]

Collared Shirt, Slacks, and Jacket or Blazer

#### [ Ladies ]

Dress, or a Blouse paired with a Skirt

### Formal

Envision the distinguished attire you would wear to an exclusive wedding or celebratory gala. Ponant's formal evenings, however, offer a refined sense of freedom, and a necktie for gentlemen is entirely optional.

**[ For Gentlemen ]** A tuxedo, dinner jacket, or dark suit is impeccable ( necktie optional ).

**[ For Ladies ]** Evening gowns, cocktail dresses, or sophisticated dresses are highly encouraged. Some guests also choose to wear traditional kimonos.

\*Each itinerary includes two to three formal evenings.

## Q. Are there fees for shore excursions ?

Additionally, you'll find a water kettle and a Nespresso coffee maker for your enjoyment. Please bring your own toothbrush, toothpaste, and sleepwear.

## Q. What should I bring for my comfort and convenience ?

**A** We highly recommend bringing comfortable, broken-in footwear such as sneakers for navigating the ship's expansive decks. Given that sea breezes can be brisk, a windbreaker is advisable, and a cardigan will offer comfort against the onboard air conditioning. We also suggest packing a hat, sunglasses, sunscreen, and binoculars for optimal viewing pleasure. If you plan to utilize our fitness center or pools, please remember to bring your athletic wear, athletic shoes, and swimwear.

## Q. What are the laundry services like ?
